

**2022-2023
School Year**

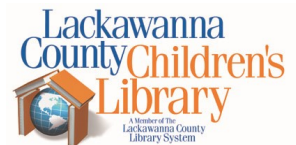

The Lackawanna County Children's Library **OUTREACH COLLECTION**

We are pleased that you chose the Lackawanna County Children's Library's services to accompany your lesson plans! The materials we provide to aid the curriculum are sure to delight and engage your students.

Our Outreach Accounts are open to teachers, homeschoolers, and child care providers. A collection can be borrowed for 4 weeks and includes approximately 45 items. Account holders are asked to list the subjects/titles of the items needed for their curriculum with the sheet provided in this packet. If you are unsure of your curriculum for the year, you may notify us on a monthly basis. We will then prepare the materials for your collection and you will be notified when it is ready. We are also offering a "Self-Serve" option for those who would like to personally fill their own bin. Collections can then be picked-up with our Curbside service.

Guidelines for Outreach Collections Loaned From The Lackawanna County Children's Library Updated March 14, 2022

Collections may be loaned to teachers or childcare centers under the following guidelines. Inability to comply with these guidelines will result in account suspension:

1. **Your Outreach Account is only valid at the Lackawanna County Children's Library and the Albright Memorial Library.** All items must be checked out at the Lackawanna County Children's Library. Only Children's Library and Albright Memorial Library materials can be sent or be placed on hold. Please use your personal library card to place holds from other Lackawanna County libraries.
2. All materials must be returned by their due date. **Your account will be suspended for unreturned materials until they are returned or paid for.**
3. To avoid confusion, all items are to stay in the account holder's classroom and are not to be shared amongst staff. Library materials are not to be sent home with children.
4. If you are uncertain of your curriculum for the year, a list of topics and/or titles must be provided to the library **a minimum of 7 days before your scheduled pick-up date.**
5. If your curriculum unexpectedly changes please notify us as soon as possible.
6. **If we do not receive your list of topics in a timely manner, your collection will be forfeited for the month.** Whereby you may use our "Self-Serve" option to build your own collection for the month.
7. There is a **maximum limit of eight (8) topics per month.** The average loan period for a collection is four (4) weeks.
8. You will be notified when your collection is ready. We will hold collections for seven (7) days after the scheduled pick up date. **Unclaimed collections will be re-shelved after that period.**
9. All items must be returned in the condition in which they were received. **Damaged items will be billed to your account.**

Communication
for the school, home, and
everywhere in between.

Dear Educators,

Welcome to a new school year! The Lackawanna County Children's Library uses a free messaging app called "Remind" as an additional form of communication. While this app will not be replacing emails and phone calls, sending quick simple messages will help us both stay up to date on your curriculum, collection pick-ups, missing items, and the overall status of your account. In order to sign up to receive these text messages from the library, please follow the instructions for one of the options below:

OR

Please keep in mind that this is a secure app. You will not receive spam texts and your phone number will remain private. You can also chose to opt out at any time! I can't wait to work together to help you and your class be successful this year! Please let me know if you have any questions.

Thank you,
